

DEPTFORD TOWNSHIP HIGH SCHOOL FOOTBALL BOOSTER CLUB

Head Coach- Chris Crowley

Club President- Gerilyn Fountain

Dear Prospective Deptford High School Football Supporter,

We are very excited to announce that we are once again compiling a Gameday program for the 2017 Deptford H.S. Football season featuring ads from local businesses such as your own. The program guide will be available at every home game throughout the season and will offer valuable exposure for your business, products and/or services to the many South Jersey residents that attend our games.

The Deptford Township High School Football Booster Club was established to support and promote the sport of football, including players, cheerleaders, and trainers with the approval and endorsement of its administration and the respective coaches and staff. Your support will aid the Deptford Township High School Football Booster Club in meeting this worthwhile goal and continuing the Deptford Spartans "Tradition of Excellence."

In addition to the ad opportunities in the Gameday program for individual supporters, we also have several business/corporate sponsorship packages available to increase a company's exposure in and around Spartan Stadium. We hope you will take a moment to review the attached materials and select the best package that satisfies your advertising needs. Once selected, please fill out the attached form and return it as soon as possible. Your support of our amateur athletes is greatly appreciated. Best of all with our Club's non-profit 501(c)(3) status, your support is 100% tax deductible! If you have any questions, please contact us at spartanclub15@yahoo.com.

Very Spartanly Yours,
